

REFERRALS

Referrals are accepted from clients and families (or those acting on their behalf). Referrals may be submitted in one of three ways: **electronically, mail or fax:**

1. To submit a referral using our Electronic Referral Form, please visit our website at www.sdrc.ca.
2. To obtain a paper copy of the Referral Form, contact the main office of SDRC at 519-741-1121.
3. You can also visit our website to download a PDF copy of the form.

Upon receipt of a completed referral form and supporting documentation verifying eligibility for services, you will receive a Referral Confirmation email within 2 to 4 weeks, followed by contact from an Intake worker to schedule an initial Intake Appointment. The wait for an appointment varies depending on referral volumes and may take up to 6 months.

For referrals for adults 18 years and older, eligibility for developmental services must first be determined by Developmental Services Ontario. You can contact them through their Toll- Free number: 1-888-941-1121.

Once eligibility is determined a referral for services will be forwarded to SDRC on your behalf.
